CHS: Yeah.

CT: Do they get paid?

CHS: Yeah the time and a half or double on holidays. I don't know what's...

CT: [OV] But like what is she like a SIA ██████████ or...

CHS: No. She's a... SIA ██████████.

CT: [UI]

CHS: --weeks that I'm working like SIA ██████████ hours like and you barely get any sleep.

CT: Are you serious?

CHS: Yeah. So I mean when it's bad, it's bad. And when it's good, it's great. Like next week I'm working at least SIA ██████████ hours.

CT: You're leaving [UI]?

CHS: Yeah.

CT: Oh.

CHS: So what's up with Greece?

CT: So Greece I'm going to find out tonight.

CHS: SIA So the, it starts at, the meeting starts on the 1<sup>st</sup>?

CT: Yeah until the 4<sup>th</sup>.

CHS: Okay.

CT: And then, um, I just want...

CHS: Anything I can sit in with?

CT: Let me find out what it is exactly. I don't know exactly what the hell it is.

CHS: It's all in Greek?

CT: [OV] It's like a conference. Yeah it's all in Greek. It's like a conference about the municipalities of Greece and I don't know what, what the thing is...

CHS: Okay.

CT: ...but they want me to go there. And I just want to use it as an excuse basically to see, you know, my family and my city and just kind of enjoy it.

CHS: What are they going to put you up in a hotel or?

CT: That I don't know yet.

CHS: Because I mean if I go--

CT: [OV] [UI] have a house [UI]--

CHS: --I would come out there Friday, Saturday, and leave on Sunday or leave on Monday, one of the two.

CT: Yeah you will come three days?

CHS: Yeah.

CT: You would fly out for three days?

CHS: Yeah.

CT: Shh...

CHS: [OV] I did [REDACTED] for [REDACTED] hours...I don't know.

CT: You did not do [REDACTED] for [REDACTED] hours.

CHS: Yeah I did.

CT: You flew into [REDACTED] for [REDACTED] hours a month?

CHS: Yeah. I spent [REDACTED] hours in [REDACTED] hung out with my friends, went down to [REDACTED] for [REDACTED] hours and flew back home.

CT: Okay. But you must have been in [REDACTED] for some days before that, right?

CHS: No. I just...I, I flew from Chicago to [REDACTED] got to [REDACTED] at 10:00 a.m., hung out until like 8:00, 9:30 and then went back to the airport, went to [REDACTED] fucking then went back, right back home.

CT: Boy, how do you do that?

CHS: Dude, I, like I want to see the world.

CT: [OV] [UI] or something?

CHS: No.

CT: Do you like [UI]?

CHS: I knock out on the flight. No.

CT: You just knock out on the flight?

CHS: Yeah.

CT: That's crazy.

CHS: I like seeing the world and it's like, it's not the –

CT: [OV] [UI] world don't [UI].

CT: [OV] What is it?

CHS: It was great. Like there's so, so many like smart people and like...well yeah everywhere but like... SIA

CT: Is it everywhere?

CHS: Oh man you smell it walking down the street.

CT: [OV] What do you mean it's everywhere?

CHS: Like there's a fucking café every...when you say café in SIA that's all it is a--

CHS: What the fuck is this?

CT: This shit became SIA I think now in Chicago. It's very sanitary right?

CHS: This? This is sanitary? What the fuck is that?

CT: [Laughing] [UI] would you eat that shit?

CHS: I mean I would but I would take like um some, some pills before to make my stomach settle. I eat anything, man.

CT: Shit.

File: XXX-XXXXXXXXXX

CHS: So--

CT: [UI]

CHS: --will they have a, will they have a fucking translating thing if I went out there with you?

CT: That I am going to find out today because I told them, ah, you got to let me know because I've got to make up this...technically I would have to leave on Tuesday so today's the last day.

CHS: So you got 25 dollars for me? All in singles--

CT: [UI] [Laughs]

CHS: --where the fuck did you get...what is this a fucking payment plan?

[Laughter]

CHS: Yeah I owe you fucking \$25. Give me the hundred when you fucking have a hundred. I don't give a fuck.

CT: I know I still don't got my AT- my fucking debit card.

CHS: [OV] You didn't get your debit card?

CT: So I'm going to get you, that's what I'm going to get--

CHS: [OV] Oh get the fuck out of here.

CT: --I'm going to buy you whatever you need on the credit card.

CHS: Don't-don't-don't give me this fucking [UI].

CT: Well then let me get you on my credit card, whatever you're going to get.

CHS: [OV] Okay.

CT: I thought maybe you would want some cash, too. That's why I wanted to...

CHS: Oh fuck it. You owe me 25 dollars in singles. [Laughs]

CT: I still don't have, have my fucking ID.

CHS: Where did you go to the strip club?

File: XXX-XXXXXXXXXX  
Recording: CCR\_0006.wav

CT: Well, I still don't have my ID.

CHS: How the hell are you going to drink?

CT: Well I got my passport.

CHS: Oh. [Chuckles].

CT: [UI].

CHS: You're walking around like you're in fucking Russia. You got to carry your passport otherwise you get in fucking trouble.

CT: Believe me it's so...have you ever had your wallet stolen?

CHS: Yeah. In high school and and a nightmare...

CT: [OV] What a fucking annoying bitch this is, man.

CHS: I had my social security card in there once. That's fucking, like how did you, you didn't even get your ID. Did you not go back and get your ID, dude?

CT: I didn't, well with Thanksgiving and all, you know. I didn't have a chance to really [hiccups] to really go and it's closed like on...it was closed yesterday.

CHS: Huh.

CT: So...and now I maybe be leaving on Tuesday so I don't get a chance to...

CHS: You're leaving on Tuesday? So if I can get there --

CT: [OV] If, if...I'm going to know today, tonight. Final answer, so.

CHS: Okay let me know because I-I--

CT: And the [UI]...

CHS: --if it's over \$3,000 I can't fucking do it. If it's over \$2,000...

CT: No, I already looked at tickets, I already looked at tickets--

CHS: [OV] How much are they?

CT: --it's 900.

File: XXX-[REDACTED]

Recording: CCR\_0006.wav

CHS: Nine hundred is perfect. That is perfect.

CT: That's nothing.

CHS: That's like...three, to me--

CT: [OV] Nine hundred is [UI].

CHS: --three thousand would be pushing it but like if it, you know...

CT: Fuck no, man. Three thousand is too much.

CHS: So looking next week I can leave, I'll leave directly from SIA [REDACTED], from SIA [REDACTED] --

CT: [OV] And we'll stay at Thessaloni--

CHS: --and I'll, uh--

CT:--[UI] have a great time.

CHS: --I'll get there on the second so that would be Friday. Do you have meetings on Friday and Saturday and Sunday?

CT: Ah, one until 3:00. I do have, can you come like the fourth? Is that possible or?

CHS: Yeah [UI] the fourth.

CT: Or even the next weekend after, or even the next weekend after that?

CHS: I could but I mean, uh, this week...well no the next week --

CT: [OV] Because I'm going to be there until the 19<sup>th</sup>. I said. I'm going to be in Greece until the 19<sup>th</sup> if I go.

CHS: Okay.

CT: So I'm going to be, I can be there whenever you want so you don't have to like rush like [UI].

CHS: [OV] To me like my, my company will pay a little bit of it --

CT: [OV] They do?

CHS: -- if I, if I leave like the weekend like because if I'm...

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

CT: Oh if they'll do that, then come sooner then.

CHS: Yeah.

CT: Alright. I, yeah [UI].

CHS: That way it saves me some fucking money.

CT: How do they pay some of it?

CHS: Well they'll pay...so it costs me \$900 roundtrip to Columbia, South Carolina.

CT: What?

CHS: I can take 450 of that and apply that towards my flight, like half of that because they flew half there and then half back...

CT: [OV] Wait, wait how is it \$900 to fly to South Carolina?

CHS: It's Columbia, South Carolina. If I flew into Charlotte, which is an hour away, it's only \$450 or four, yeah.

CT: On just the ticket or the hotel too?

CHS: No, just the ticket.

CT: Get out of here, man.

CHS: To go to Columbia, South Carolina, it's a fucking bitch.

CT: What are you talking about, man? There's no way a ticket to Chicago –

CHS: [OV] These smaller airports, dude? The ticket prices are ridiculous.

CT: I'm curious.

CHS: When I, when I had to fly into SIA [REDACTED]. Had to fly to Chicago, Chicago to, ah, SIA [REDACTED] to SIA [REDACTED] guess how much those tickets were?

CT: How much?

CHS: Fifteen to sixteen hundred dollars.

CT: Get out of here.

CHS: Yeah. Well if I just flew in-into, uh...

File: XXX-  
Recording: CCR\_0006.wav

CT: SIA

CHS: ...SIA just straight to SIA it would cost me 3,400 bucks.

CT: The most expensive [UI]--

CHS: [OV] And it's like a half hour flight from SIA to SIA.

CT: I mean [UI] I've ever even flown into New York or whatever it's only like \$230.

CHS: Yeah to New York because it's a big airport.

CT: Yeah.

CHS: It's a major airport. You go to these smaller cities...

CT: Wow. But they pay for your flight, right?

CHS: Yeah. Shit I would not work for my fucking company if they didn't pay for your flight.

CT: Shit.

CHS: My mom always asks me, she's like your company pays for your flights?

CT: [UI].

CHS: She sounds like an old SIA lady sometimes.

CT: Tell me [UI]your...

CHS: [In high pitched voice] Your company pays for your flights, are you sure? I'm like yeah they, I'm fucking sure. How would, how would the fuck would I get this money to fucking fly around...

CT: [Laughing] [UI] get your ass there it's \$900.

CHS: Get the fuck outta here.

CT: [OV] That's coming out of your paycheck. [Laughing]

CHS: Come out of my pay like get the fuck outta here.

CT: But do they have like some sort of 401K plan? Like how, what's the, what's the [UI]?

File: XXX-XXXXXXXXXX  
Recording: CCR\_0006.wav

CHS: Yeah I got a 401K. I got a retirement.

CT: So do you want to actually stay there and...let's say I get a job with the camp.  
Would you leave and get out?

CHS: Yeah I'd get out. I'd ask for a leave of absence. Hopefully they would be able to  
grant such a thing especially if I'm working under, you know, the government.

CT: Mm-hmm.

CHS: I don't think they would be able to fire me because one I'm working like I was  
asked to work for the government for, ah, a contracted amount of time. I could

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

gounder a leave of absence. It's almost like going into military duty in the same sense. I think they have some sort of program like that.

CT: Yeah.

CHS: If you are asked or requested to work, you know.

CT: Mm-hmm.

CHS: I could see that happening with my company. I think, they're very lenient.

CT: Mm-hmm.

CHS: So...man, if I got in I'd, I'd fucking love it. But the money's got to be good to.

CT: So check this out, this is what I wanted to tell you today. I got a message.

CHS: From whom?

CT: From some guy that works for the Albanian parliament. I'm not kidding.

CHS: I'll--

CT: I'm not kidding. I'll show you the message. A random message from a guy who works for the Albanian parliament on LinkedIn.

CHS: Okay.

CT: And he's like hello, Crossfire Typhoon, I just wanted to congratulate you because I heard from mutual friends that you've been selected to work with, ah...Ryan's previous, the Chief of Staff of The White House.

CHS: Mm-hmm.

CT: Congratulations. And then I tried to get [UI] and like who said that. Because I didn't hear that. What the hell is this? You think it's like...I mean, is that

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

bizarre? What do you think that is? You think that bullshit? A guy that works for the parliament of Albania sent that.

CHS: Yeah but you also had Eli Groaner [PH] fucking email you, too.

CT: Yeah but...

CHS: So I mean w- if, if...I mean word gets out. What did you put on LinkedIn?

CT: Nothing, nothing. I haven't said anything on LinkedIn.

CHS: Maybe people fucking look up your name or something like...your name, your name, you're on fucking headline news, dude.

CT: Yeah but he said I heard...this is exactly what he said it was a one sentence thing... "I heard that from mutual friends that you have been selected to work as an assistant to the Chief of Staff. Congratulations. I look forward to working with you." And then I said, who said that question mark. I said, No one told me that. That shit's not on Google. I even Google, I've looked up, there's nothing

File: XXX-[REDACTED]

Recording: CCR\_0006.wav

like that. So do you think that's like some legit thing or is that the guy is just like...

CHS: From the Albanian parliament?

CT: Yeah. Albanian parliament.

CHS: Fuck Albanians.

CT: What the hell's Albanian parliament, right? It's like...

CHS: The whole Eastern Europe's a bunch of fucking cow shit anyway.

CT: It is. Have you been to SIA [REDACTED]

CHS: Yeah.

CT: How is it there?

CHS: It's nice. But it's very like vast like the land is...

CT: It's vast?

CHS: Yeah. I mean well there's nice cities like SIA [REDACTED] cool.

CT: [OV] [UI]

CHS: SIA [REDACTED] is great. Is that the lights, zoo lights?

CT: Oh that's the zoo?

CHS: Yeah that's Lincoln Park Zoo, dude.

CT: Oh yeah.

CHS: [OV] [Humming] [Laughs]

CT: [UI] animals.

CHS: We'll fucking go to [laughs]

CT: There's no way the animals are alive right now [UI].

CHS: Where the fuck are the polar bears.

CT: Yeah, but what do they do with like the lions and all that stuff?

File: XXX-XXXXXXXXXX  
Recording: CCR\_0006.wav

CHS: They, they transfer them to another zoo or they put them in some...they, they have, they have like...

CT: [UI] heaters?

CHS: Yeah.

CT: Well that's true.

CHS: I don't think they have lions here at this zoo. It's a small zoo.

CT: Have you been there?

CHS: A long time ago. There's a lot of Pokemon there, I hear.

[Laughter]

CT: Yeah. Do you play that?

CHS: Um, so I'm [UI] I don't see why it wouldn't be legit but like don't, don't, -

CT: [OV] [UI].

CHS: -- don't say anything to anybody like outside...like if someone reached out to you from a fucking foreign government, like that's some big, you know, that's some big shit like...

CT: Yeah but that's like some weird third world [UI] I don't even know what the hell that is, you know.

CHS: They want to be your friend because they think you can do things for them.

CT: Yeah but that's weird of saying that like I heard the future [UI]it's like a goofy thing to say [UI].

CHS: [OV] And did you ask who was your mutual friend?

CT: [OV][UI] I [UI] I said--

CHS: Look it up. We, we'll--

CT: Yep.

CHS: --see if they sent you back...how long ago was this?

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

CT: Like two hours ago.

CHS: What time is it over there? Way too fucking early or too late.

CT: It's late.

CHS: Like two, three o'clock in the morning over there?

CT: [UI]. Yeah that was so bizarre. And then, ah, I messaged him like who said that question mark. I didn't get a response.

CHS: All these fucking malakas.

CT: Believe me it's...

CHS: And what was his name?

CT: I don't know. Ron, Ron or something.

CHS: Ron-Ron. [Chuckles] [makes noise].

CT: [UI] things. I don't know, man we'll see. God willing I have [UI]. Until I hear it from the horse's mouth and it's in my pocket, you know.

CHS: When...like...the, a fucking short time span. Like someone's got to fucking say something soon.

CT: Well this month for sure. Next month, or early next month. Because, um, I mean I'm obviously not going thru the, the regular process where, you know, where you just send in a resumé and they look at it in two years from now. So we'll see I

File: XXX-██████████  
Recording: CCR\_0006.wav

mean it's, ah...but then what I was told was whoever's accepted literally gets a team of four people they can bring on.

CHS: And who's your four people?

CT: You and same manager.

CHS: You're thinking of bringing Dan on? [Chuckles] He's not going to leave his grocery store.

CT: Oh man. In the end I mean he's...

CHS: What do you think of SIA ██████████ [PH]? Like two Palestin-...oh you can't have two, ah, Palestinians. You got to have three Israelis on one Palestinian,--

CT: SIA ██████████

CHS: --let's even it out.

CT: SIA ██████████ What's SIA ██████████ up to?

CHS: Fucking jerking off, buying and selling houses.

CT: No he's not. He's a real estate agent?

CHS: Yeah he actually works with a Greek guy.

CT: [OV] I remember that.

CHS: He's--

CT: That was years ago though.

CHS: Well he's still working with a Greek guy and he's like the Greek guy's got money so they'll go to auctions and they'll, ah, buy foreclosures, flip them around, sell them. The other, the other day he was on the phone with Chanequa [PH] and, uh, he goes...

CT: Chanequa.

CHS: Yeah. He goes--

CT: Chanequa. [Laughs]

CHS: --if you leave by Saturday at noon, we'll give you \$1,500 dollars. If you leave next Saturday, you get \$700. And three weeks from today if you don't leave, then

File: XXX-██████████  
Recording: CCR\_0006.wav

we're going to get the sheriff and we're going to kick your ass out. She's like no no no I'll leave, I'll, I'll be out by Saturday. Done.

CT: SIA ██████████ [PH].

CHS: SIA ██████████

CT: [Laughing] SIA ██████████ So he, that's what he's doing. Does he get any money? Like how does he [UI]...

CHS: Yeah. He, he makes money off each and every deal I think a certain percentage.  
[Music in background]

CT: So he's making good money then.

CHS: Yeah.

CT: That's an interesting job then.

CHS: And he, ah, his friend just went to Greece, um, and...

CT: This partner you mean?

CHS: Yeah. And, ah, he...his friend went from Greece because my cousin went to SIA ██████████, to go visit his wife who is finishing college out there.

CT: Didn't they divorce?

CHS: And then-- no. His new wife.

CT: He has a new wife?

CHS: Yeah.

CT: Wait, hold on a second. He's been married SIA ██████████.

CHS: Yeah.

CT: This is his SIA ██████████ wife?

CHS: Yeah. No, SIA ██████████

CT: Oh my gosh. So he's married again?

File: XXX-[REDACTED]

Recording: CCR\_0006.wav

CHS: Uh huh. And, ah, she's going...she's finishing up her degree out there and then she's coming back but he went to go visit her over, ah, the past couple months and, ah...this friend...

CT: Well she lives in SIA [REDACTED]

CHS: Well her family does but she lives here now. I mean she's been here for like SIA [REDACTED] or SIA [REDACTED] months and she went back to go get her, finish her degree. Um, so his friend, I think his name's Tom. I don't know a fucking SIA [REDACTED] named Tom.

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

Whatever he, ah, he went to go to SIA [REDACTED], and he loved it out there.  
They went down to SIA [REDACTED]

CT: [OV] Why'd he go?

CHS: It's fucking beautiful. He just wanted to visit. I want a house over here.

CT: Look at that, huh?

CHS: Right here. This is where I want a fucking house.

CT: You could afford it, too, man.

CHS: I can afford it?

CT: Yeah.

CHS: Malaka I can't...

CT: [UI] like \$300,000.

CHS: Here? [Laughs]

CT: For one [UI].

CHS: You're talking \$750,000 for a one bedroom.

CT: No.

CHS: Oh yeah. In this little fucking corridor right here, dude?

CT: You're serious?

CHS: Yeah.

CT: Seven fifty.

CHS: You can't fucking touch this shit.

CT: Seven fifty?

CHS: Yeah.

CT: I thought it was like 300 for a one bedroom down there.

CHS: Uh-uh. I hope there's [UI].

File: XXX-XXXXXXXXXX  
Recording: CCR\_0006.wav

CT: Yeah.

CHS: Perfect. [Laughs] I'm never taken this [UI].

CT: So what's the Trump Tower one bedroom like three million? Two hundred, two million, what?

CHS: You could get. There's a, there's some up there for 650 actually. We were looking, me and my cousin, but if you paid \$35,000 a year you can have, ah, ah hotel-like maid service come and clean your fucking house every day.

CT: Every day?

CHS: Yeah. That's perfect. Like imagine like someone coming in cleaning your house, doing your laundry.

CT: Dude, that's amazing. And laundry?

CHS: Yeah for \$35,000 a year. You fucking get a wife for that.

CT: Shit. That's like--

CHS: I don't know it might be cheaper to get a fucking maid.

CT: That's like basketball player [UI].

CHS: You can get a concubine.

CT: So, so...so what are you guys looking to do over there with the six fi-, with ah, Trump Tower?

CHS: We wanted fucking...we're, we were thinking about buying a place in there but...

CT: What happened?

CHS: [Yelling] Who the hell has that kind of money? No one's got that fucking kind of money.

CT: But, but you...then, couldn't you have done like the first time buyer thing like you did [UI].

CHS: [OV] It's not an investment for me.

CT: Yeah well you could, you could have [UI].

File: XXX-[REDACTED]

Recording: CCR\_0006.wav

CHS: [OV] My SIA [REDACTED] paying its, for itself, almost, so I mean that's, that's an investment. This I would just be paying fucking \$4,000 a month just for me to live there.

CT: Wow.

CHS: That doesn't make sense. Your mortgage is going to be four grand a month on that.

CT: Wow.

[Thumping noises]

CHS: Anything quarter, ah, three-quarters of a million dollars. That's at least \$4,000.

CT: Four thousand a month.

CHS: You buy a million dollar place...shit how much you paying? Maybe \$6000-\$7000 a month, if not more.

CT: Whoa man [UI]. That's like you got to be making...I'll tell you exactly how much you got to be making gross for that. You've got to be making about \$105,000 just...

CHS: Just for your mortgage.

CT: ...all your salary would go to your...

CHS: Mm-hmm. Do you know Stevie B [PH]?

CT: No.

CHS: No one knows Stevie B?

CT: Who is this?

CHS: Oh my God.

CT: Wait. It's some 80s right here.

CHS: Mm-hmm. None of this fucking shit show.

CT: Why is it so packed? We're going to get some good deals out hear so I'm...

CHS: We're lucky if we find parking. Too many malakas out here.

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

CT: [Chuckling] Too many malakas around. So the deal, they must still got a lot of deals.

CHS: Yeah yeah. Um...so you're going to have like Satur-, Friday, Saturday, Sunday off or you got meetings Friday, Saturday, and Sunday?

CT: I just, I'm busy December 1 to 3 and then I'm free...

CHS: Oh.

CT: ...until...

CHS: I'll stay, I'll stay until the fourth and then I'll leave like later on that night.

CT: Okay tonight I'm going to, supposed to know.

CHS: If we're stuck in traffic, I'm playing Pokemon.

CT: You play some [UI]--

CHS: [OV] I-I-I actually just play for my, ah -

CT: [OV] We got our ass kicked [UI] last night, man.

CHS: -- little cousin because... Yeah.

CT: What the fuck was that? I didn't win a single hand. At least you won. You were up one.

CHS: I won and then I lost.

CT: I lost a 150 bucks, no 250 bucks. The hundred you gave me and the 150 I had on me.

CHS: You know what I tell them?

[Horn honks]

CT: You can't go there during the day I guess. You got to go like when there's action.

CHS: Yeah. You know what I tell them. I say don't, don't rape us unless you're wearing a condom.

CT: [Laughs].

File: XXX-XXXXXXXXXX  
Recording: CCR\_0006.wav

CHS: And then one of the dealers said, ah, first of all if I'm going to rape you, you think I'm going to wear a condom.

[Laughter]

CHS: I'm like yeah, okay.

[Horn honks]

CT: Shit. Whoa, whoa, whoa.

CHS: Too many of these malakas out here.

CT: [UI].

CHS: They don't know how to drive.

CT: Too many malakas, man. Vegas must be cool though, huh?

CHS: Yeah let's do it, man.

CT: I'm coming with you for sure.

[Horn honking]

CT: How, is it expensive out there?

CHS: I get a free hotel room. The only thing we'll have to pay for is the flight.

CT: Hm. You got a free hotel room, huh?

CHS: Mm-hmm. Any time I got to Vegas.

CT: [OV] How do you get these perks, man?

CHS: Did you sign up at the...Horseshoe like I told you to?

CT: No.

CHS: Next time sign up and get their player's card.

CT: And what does that do?

CHS: You get free hotel shit.

CT: [OV] [UI]...

File: XXX-XXXXXXXXXX  
Recording: CCR\_0006.wav

CHS: They have Atlantic City or Vegas...

CT: ...frequent player's card, sir. I said no.

CHS: Yeah. Get a player's card. Don't be a malaka. Get a player's card.

CT: So what'd they give you good benefits like how, like how does it work?

CHS: The more you spend obviously the more perks that they, they give you –

CT: [OV] Yeah.

CHS: -- but I mean generally just great fucking perks and customer service is excellent. This is a shit show. Oh my god! You really want to go shopping in this shit?

CT: Hell yeah. This is the best time to go shopping.

CHS: All these malakas.

CT: [UI] these brothers; they're all broke out here. They got no money. Just walking around, they're motherfuckers. You know I definitely would rather be a multi-millionaire and live to 40 then to be a middle class person 'til 85.

CHS: Really?

CT: Yeah, you know, because I truly believe quality over quantity and things. I think life should be about quality, you know. What's the point of just getting by and

File: XXX-██████████

Recording: CCR\_0006.wav

you're just like...I want to enjoy life, man. You know, I don't want to have money when I'm 60 and be like a creaky old man –

CHS: [OV] Exactly. You want to drive a Ferrari when you're 60 and you're...

CT: Yeah. No, no one gives a fuck...like what you're doing at that age. You know you're just like a creepy like old guy. What are you going to do go to a strip club and...

CHS: Be an old fuck.

[Music in background]

CHS: [Singing]

CT: [Singing]

CHS: Too many malakas. [Chuckles]

CT: Have you ever shaved your head?

CHS: Yeah I did that in SIA ██████████ I'll never do that again.

CT: Why?

CHS: I missed my hair.

CT: What, you didn't like it? Was it weird, huh?

CHS: My, ah...

CT: [UI] I don't think I would do it...

CHS: My, ah, my girlfriend at the time she was like, ah, she said her-her-her cousin was just like, I don't know, she was just weird, fat, ugly little girl. She was like he

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

looks like Justin Timberlake now. I'm like after that I was like that's fucking creepy. I didn't look nothing like Justin Timberlake. I'm not even fuck—

CT: [Laughing] [OV] She said you're Justin Timberlake?

CHS: How the fuck do I look like Justin Timberlake. No way in fuck.

CT: Was he, was he bald, Justin Timberlake?

CHS: He not bald. But like we got that vibe like, oh, man, like a fresh, you know, fresh new look. I'm like okay do I...pull off that vibe maybe I can get myself an acting job.

CT: You popstar.

CHS: [UI]?

CT: Did you know when he died? How old do you think he was when he died?

CHS: Oh what is...

CT: [OV] Twenty-five.

CHS: No, he's got to be...

CT: [OV] And he looked 35 didn't he?

CHS: Thirty...

CT: Nope. Twenty-five.

CHS: I didn't think it was 30. He was 25 years old?

CT: That's right.

CHS: No.

CT: Yeah. He looks 35.

CHS: Google it. I don't believe you.

CT: [OV] [UI]see what the fuck [UI].

CHS: Too many malakas. [Laughs]

File: XXX-██████████

Recording: CCR\_0006.wav

CT: Look they're doing street patrol over here. They never do that on the South Side. I think my wisdom tooth is coming out, dude.

CHS: By itself?

CT: I don't know, man. It hurts.

CHS: I'm fucking starving.

CT: [UI].

CHS: Hm?

CT: [UI].

CHS: Who?

CT: I'm singing. Potholes breaking loose down here. I heard that there was a lot of protesting and shit downtown yesterday.

CHS: For what?

CT: Black lives matter. They were breaking stores and preventing people from shopping.

CHS: Who was?

CT: Black lives matter.

CHS: Were they?

CT: Mm-hmm.

CHS: That's garbage.

[Fart noise]

CT: Oh.

CHS: Did you just fart?

CT: Nope.

CHS: You fucking malaka.

[Window noise]

File: XXX-  
Recording: CCR\_0006.wav

CT: Oh my God.

CHS: You sick motherfucker. You couldn't open a window.

CT: I got two [UI]. What's mine is yours and what's yours is mine.

CHS: When are we going to Russia?

CT: That's somewhere I definitely want to go to.

CHS: While you're in Greece, let's go to fucking Russia.

CT: Well you can only go like three days at a time, man. It's like...if you could have done like a week, then I would have actually gone with you. Can't do two things in three days.

CHS: I mean I could take...not this week. I could take next week off.

CT: If you could take a week off I'd go with you to Russia, I'm serious.

CHS: What the fuck we going to do there?

CT: Well I think you need a visa which takes a while.

CHS: What the fuck are we going to do in Russia, though?

CT: Check it out. Russia's--

CHS: [OV] You got any friends that you're going to go visit? They take care of us, show us around?

CT: Well unfortunately not. Do you?

CHS: Ah...I slept with this some girl in the SIA . She was Russian.

CT: No you didn't.

CHS: Yeah.

CT: Where'd you go? SIA

CHS: Yeah went to SIA and she was out there. I'm like she didn't speak any English.

CT: By herself.

File: XXX-XXXXXXXXXX  
Recording: CCR\_0006.wav

CHS: And I didn't speak any Russian and we went out there and I don't know it fucking worked out. We fucked for 12 hours straight. I have no fucking idea --

CT: [OV] No you didn't.

CHS: I didn't have no Viagra.

CT: No you didn't.

CHS: I swear.

CT: Have you ever taken Viagra?

CHS: Nope. I don't need it. I am a f...

CT: [Laughs] God help us if we need [UI].

CHS: [OV] [Laughing] Fucking give me a Viagra now. Man, get the fuck outta here.

CT: You know guys take it like in their 20s. I don't know what that's about.

CHS: Women don't know how to fucking be attractive to men anymore.

CT: I think porn is destroying people, isn't it?

CHS: Yep, porn.

CT: Porn's really like just messed up, man.

CHS: Do you watch a lot of porn?

CT: No.

CHS: Just only a little bit?

CT: Not at all actually.

CHS: Why not?

CT: I don't like to.

CHS: You don't like it? I mean how do you get...you got to get ideas on what --

CT: [OV] It's...

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

CHS: -- you know, how to do stuff.

CT: ...You, you know what you got to do, man.

CHS: You got to put it in.

CT: It's pretty natural. It's either you know what you do or you don't. You can't learn anything. Ah like I said with the porn thing it just like takes away from like the nice feeling.

CHS: Yeah keep, keep your mind, ah, sanitary.

CT: Because then you could, because then you could actually thinking about the porno as you're doing...like sex.

CHS: Yeah.

CT: Which is retarded.

CHS: I mean sometimes, right?

CT: Staind, man.

[Song starts]

CHS: This fucking old stuff.

CT: Oh man. Bring you back to high school days, man. [Singing with song] It's been a while. I didn't know you liked Staind.

CHS: I got a whole bunch of stuff.

CT: [OV] [UI].

CHS: I need to go through my library and like delete shit.

CT: Pokemon. Did you get money from that, Pokemon stuff?

CHS: No but it gives my, ah, little cousin some joy because when I'm, when I go downtown I get Pokemon that he doesn't get in the suburbs.

CT: Oh.

CHS: And he loves it. He thinks it's fucking great. I really don't, I don't play for myself I just play for him, you know. Christmas shopping.

File: XXX-  
Recording: CCR\_0006.wav  
CT: Oh yeah.

CHS: Don't even celebrate Christmas.  
[Laughter]

CT: Shit, well what are they showing me?

CHS: You know when I went to, ah, SIA and SIA last year?

CT: Do you like it over there?

CHS: Yeah it's, I, I, I'm indifferent about SIA man.

CT: Why?

CHS: It is fucking boring.

CT: It is, right?

CHS: There's, what's the, the food is not all that great unless you got like \$10,000 to go to fucking...[laughing].

CT: [OV] You got \$10,000 euros.

CHS: Yeah. You got to go to Limo Reese [PH] to go eat.

CT: [OV] Yeah there's, there's no taste. There's no taste. There's no taste.

CHS: What. Ah..

CT: I went to Ellwood's [PH] today and ate, man. Have you ever been there?

CHS: No. What's that?

CT: In Lincolnwood [PH], it's like a really nice...little place. Anyway, so yeah what happened?

CHS: Ah...

CT: From SIA the food just sucks.

CHS: Yeah well there was a bunch of Syrian, ah, refugees just hanging out on the streets.

CT: What?

File: XXX-  
Recording: CCR\_0006.wav

CHS: And like...yeah. On SIA [PH] and like you'd see these fucking ritzy ass Arabs Muslims people covered like, you know, head to toe, you know, Muslims.

CT: Yeah.

CHS: And, uh, like they would pass them up without even looking at them, man.

CT: No way.

CHS: Yeah. I'm like these are your fucking people. Why don't you be help them out, you know.

CT: Well I know they--

CHS: They're walking around with fucking bags, Louis Vuitton, and they don't want to give these guys five dollars.

CHS: Yeah Louis Vuitton and all this fucking [UI] well everything on SIA

CT: Is it still like a classy city or has it become kind of scummy? Like--

CHS: SIA

CT:--[OV] London's becoming a little scummy though.

CHS: Ah...London's quite scummy.

CT: It is, isn't it?

CHS: All I- I think it's just fucking destroyed from like all...I wouldn't say it's immigrants but, man, I-I think like a lot of people, poor people that come out there, they don't know how to take care of shit.

CT: What do you mean?

CHS: It is your immigrants, but it's not all of them. Like there's a lot of hardworking immigrants, just like there are here, but like do, say you go to the Cicero [PH]. Like half of them are immigrants and half of them have been here for a while like

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

some of them, you know, Am-American, Mexican-Americans. And then like their lawns are well kept, their houses are very beautiful, and then you--

CT: [UI]

CHS: --go to the other part of Cicero--

CT: Uh-huh.

CHS: --and it's like shit.

CT: Immigrants are dirty you're saying?

CHS: I wouldn't say all of them but man like there's some upkeep and like...they just neglect.

CT: Did you know Chicago has the second most Mexicans in the country behind LA?

CHS: Chicago does?

CT: Did you know that? Yeah.

CHS: I thought Texas would.

CT: No. That's what I thought, too, but it's Chicago.

CHS: Like Houston [yawning]. They got to be fucking...there's got to be a lot more than...well un-undocumented or documented?

CT: Well like...undocumented and, you know, whatever that means. But I wonder why they got, they all fucking [UI].

CHS: You don't know what that means? People who are here with pap --

CT: [OV] No, no. I said I don't know if they're documented--

CHS: Oh.

CT: --or undocumented.

CHS: [Sighs] Too many fucking malakas.

CT: [Singing] ...I could...head up high. It's been a while since I said I'm sorry.  
[Song ends] Do you think Chicago will ever catch up to New York in terms of like buildings.

File: XXX-[REDACTED]

CHS: Yeah. I mean did you not see the, it was an...I don't know if it was a Chinese company, some Asian bought out a lot of land in East Lakeview.

CT: [OV] They did?

CHS: --And they're making, yeah. They're making a tower just as big as Hancock if not this like in between Hancock and, ah, Trump Tower.

CT: Nice.

CHS: So there's going to be a big change with our, ah, skyline. It's just going to look awkward though because it's going to be fairest fuck north you're going to see this big-ass building just pop up...

CT: Oh so it's far, huh? Lakeview.

CHS: It's going to be an overnight flight. Don't take the...there's some stupid flights that leave here like 9:00 in the morning and get to London at like at 10:00 at night. That's a waste of your day.

CT: What a waste of a day. No but because I got to stop in Frankfurt.

CHS: Oh okay.

CT: There's no direct flight to Greece. Maybe New York,Athens, I think. Did you know there's a direct flight Chicago, Istanbul?

CHS: On what airline?

CT: Turkish Airline.

CHS: Oh okay. Yeah I could see that.

CT: Yeah but...[UI] I think you can like United, too. [UI] normally is. While I have to fly eight hours or so to get into Frankfurt...

CHS: Yeah.

CT: How did you find out about this place?

CHS: My first time in SIA ██████████ ...it, it actually started in TPA/SIA ██████████, and I went to their original one. There is, it is a shithole. It...like I've been to white sticks where there's only white people and it's like, like you're in the boons. Like there

is nobody but like white people, people sitting on their porch with straw in their mouth like that kind of...like I've been to places like that.

CT: [OV] [UI].

CHS: And this place was black sticks. It was the same thing but just like black people there. It was like a rundown, like just barns and all this shit.

CT: Is it good?

CHS: It's, it's a bay...there's consistency from TPA/SIA [REDACTED], where they started. It's not even...look Google TPA/SIA [REDACTED]. You can't even fucking find it on a goddamn map.

CT: I, I don't jump at the Chief of Staff Will Cravis [PH] and you would be working with the Chief of Staff in the White House. You would be his assistant.

CHS: But like doing what?

CT: [Laughing] It's ama-...have you been [UI]? No.

CHS: No. I told you I was, I was, I was going to go in early January but...

CT: [OV] [UI].

CHS: ...if I go now it's fucking better. What's the weather like in Thessaloniki like here right now.

CT: Just like right now. Actually I have no idea. I don't, I don't think I've ever been in the winter...since I was like a baby. But...

File: XXX-XXXXXXXXXX  
Recording: CCR\_0006.wav

CHS: Make sure they put you in a Hilton.

CT: Yeah.

CHS: Why don't you just look it up on your weather app?

CT: It's 51 degrees right now.

CHS: That's not bad.

CT: Which is 2:00 a.m.

CHS: It's like here.

CT: Bro, it's like 20.

CHS: Man, but high almost 60 on one day. Wait Friday, Saturday, Sunday ah 50s that's alright.

CT: Yeah man that's great weather.

CHS: That's not bad.

CT: Wait a minute. What's the weather here?

CHS: A little bit colder than that but it's pretty much the same.

CT: It's exactly the same. Huh. We're having a un-[UI].

CHS: This is unbelievable. I love the weather, no snow. Well we saw snow but it didn't accumulate.

CT: When did you see snow?

CHS: A couple of days ago it snowed.

CT: Did it? Yeah.

CHS: But it was like as soon as it hit the ground it melted. It was just nothing. Sophia Vergara, oh man.

CT: Look at her [UI].

CHS: She's a Colombian--

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

CT: No, she's not Colombian.

CHS: She's Colombian 100--

CT: [UI].

CHS: No, she's Colombian.

CT: She's Colombian?

CHS: Yeah.

CT: [UI].

CHS: Oh, man, she's gorgeous.

CT: [UI] she look like that girl [UI].

CHS: Oh yeah yeah yeah yeah, ah, TPN [REDACTED]

CT: What happened to her?

CHS: I tried looking... TPN [REDACTED] [PH]. I tried looking her up. I can't find her on...because she's not on social media or anything.

CT: TPN [REDACTED] Are you sure [UI]? [UI]

[Shaker noise]

CHS: Fucking relax--

CT: I know, right?

CHS: --with an ice cold beer. I would just want fried chicken with it right now.

CT: [UI]

CHS: You can smoke in bars in D.C., yeah?

CT: [UI].

CHS: We're just going to do...I-I want to enjoy Thessaloniki...like I want to go to Athens eventually but like I want to enjoy one city at a time. I don't want to go...

CT: Athens is only good like to go there for like a day and then go to the islands. It's not [UI].

File: XXX-XXXXXXXXXX  
Recording: CCR\_0006.wav

CHS: We got to go to the islands.

CT: [OV] [UI]. That's this is summer. That's this summer.

CHS: Mykonos. Yes, no.

CT: Let me show you a video from there. Hold on. I have it on my iPad, but let me see if they're connected on this thing.

CHS: I want to go to Pisa, dude.

CT: Yeah?

CHS: So if you're going out there thru the 19<sup>th</sup>...is this Mykonos.

CT: Tel Aviv.

CHS: This is Tel Aviv?

CT: Listen, listen to the background. [UI] hold on. Listen listen.  
[Music]

CT: [Laughing] Tel Aviv [UI].

UM: [Video] Tel Aviv 2014.

CHS: You're a selfie whore.

CT: [Laughs]

CHS: Did you just snapchat this shit, too?

CT: [Laughing]

CHS: Malaka.

CT: Malaka. Dude, they have the, the [UI].

CHS: Do you like looking at yourself? I would just take the scenic picture. I never take a picture of myself.

CT: They have, they have a post [UI] you think about this. This isn't, is this oud--

CHS: What is it though?

CT: It's an oud. I think she got--

CHS: [OV] It's a what?

CT: -- me maybe the wrong one. Oud.

CHS: Wow this is not oud.

CT: It's not.

CHS: If it's Tom Ford. Is it Tom Ford?

CT: No it's not. It's like a Paris brand, it's at, it's at Nordstrom's.

CHS: Oh you know what this is? It's, ah...

[Spraying noise]

CT: What is that?

CHS: It's a, there, there's another, ah...

CT: Is it oud?

CHS: There's another company that makes oud. It's a super intense and it's great. It's, it's about 250, ah, Aqua DeParma [PH].

CT: Oh yeah?

CHS: And...but they make, it smells like one of their other things that they made. That's not the oud. The oud's like it'll fucking blow you away.

CT: Is it nice though?

CHS: Oh man it's great.

CT: Is it great?

CHS: Oh man. I have a bottle of that. That was 250 though.

CT: You have a bottle of it?

CHS: Mm-hmm.

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

CT: Did you wear it? Do you have it on now?

CHS: No. I have Tuscan Leather on right now.

CT: Oh...that's a great one.

CHS: It's fucking awesome. There's a--

CT: What's that new [UI] Tom Ford that has leather in it? I'll show you where to get it. I actually used to have the Aqua DeParma and Tuscan Leather.

CHS: The Tuscan Leather one? Yeah Aqua DeParma's fucking great, man. It's a lot less expensive than Tom Ford shit.

CT: [UI] really really pricey.

CHS: You fucking douse your- do you bathe in that shit?

CT: No, no it's not [UI] broke or it had leaked in my luggage or something.

CHS: But I dont if, if it ever does that, I know Nordstrom's will take it back. Neaman Marcus will take it back.

CT: Does it really?

CHS: Yeah.

CT: But do we have Mossamo Duty [PH] here in the U.S.? Have you heard of that brand? Mossamo Duty?

CHS: Uh-uh. That's some cheap-ass wine right, they got right there. Uno Dos [PH]. It's good but I mean it's...

CT: Uno Dos?

CHS: ...pretty inexpensive.

UM: I like it.

CHS: What's, ah, what's this Thessaloniki like, um...

CT: It's a big, um, wow-ish place, wow-ish place. The place is like this.

CHS: I mean like, ah...like what are, what are they known for?

CT: It's like, ah...

File: XXX-XXXXXXXXXX  
Recording: CCR\_0006.wav

CHS: Any food in particular any like...anything they make?

CT: It's, it's known as like the most beautiful like women in Greece.

CHS: No.

CT: It's like, it's like, ah...

CHS: Is there strip clubs...in Thessaloniki? I want to see some...

CT: It's...no, it's known for that. It's the passion capital of Greece and it's like, ah, Hollywood over in Greece. All of it's from there and music. It's like a music, fashion part of Greece while Athens is more known as politics and business so...

CHS: So you want to go down to Athens--

CT: [OV] Who cares? It's a 20-minute flight.

CHS: --over the weekend?

CT: It's literally 20 minutes.

CHS: But you're going to be...you have third, fourth, fifth or wait--

CT: No.

CHS: --first, second--

CT: [OV] One, one to three I'm busy and then after that I'm free [UI].

CHS: So let's go to Athens on the 4<sup>th</sup> and then I'll fly out from Athens, ah, back home.

CT: Right let them book my thing today and then let's do it. It's literally a 20-minute flight.

CHS: You know, like I want to fuck, I want, I want some, I want to fucking have some fucking action out there.

CT: [UI] strip clubs [UI] I was actually just thinking about this [UI].

CHS: No I want, I want to fulfill like my Greek, my Greek, ah, my inner Greek-ness. Like I want to...

CT: [UI] literally she works [UI].

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

CHS: I don't want to fucking suck their tits. You can fucking get herpes.

CT: But, but, but I'm just saying it's like, it's like no one's bargain [UI]. Greece is literally [UI] Greece. Like especially if they are like [UI] it's really like eastern in that sense, man. Do you hear what I'm saying? It's really, like everybody

smokes in buildings. I had a meeting with like some government guys. They're like you don't mind if I smoke, right? Their smoke--

CHS: In the office?

CT: In their office. The gov-government people are smoking in their office. Imagine like you go in the State Department and say would you mind if I smoke in the here. It's really bad for [UI]. Have you been to Turkey?

CHS: No.

CT: No, Turkey's a [UI].

CHS: How fun. What, do you know anybody who's...let's go fucking Cypress.

CT: Cypress I've [UI] been to. Turkey I know [UI].

CHS: Where we going to have like...if I, say if I took two extra days off, Monday-Tuesday, and we did, we did something, what would we do? I want to, I want to fucking like, I want to get a feel for people...

CT: [OV] We'll go to Athens. We got to go to Athens.

CHS: ...I want to fucking meet people.

CT: We have to go to Athens.

CHS: Okay.

CT: [UI] malakas [UI].

CHS: When you, you said you were working on, ah, were you working in the Turkish Embassy or you were working in the Israeli...not the Israeli Embassy.

CT: U.S. [UI] Cypress and head of Lebanon.

CHS: And U.S. in Cypress. You worked in Lebanon?

CT: Yeah like two months. I was in Beirut, 2012.

CHS: It's fucking gorgeous isn't it?

CT: Two thousand twelve.

CHS: I fucking love [SIA] man, that's--

File: XXX- [REDACTED]

CT: I drove, I dropped in a--

CHS:--[OV] a fucking gorgeous place.

CT:--Palestinian ref- I saw the Palestinian refugee camp there. I saw--

CHS: It looked like a slum doesn't it?

CT: I saw UNIFIL [PH].

CHS: Did you see Fav-Favella's [PH] you over...do you know what a Favella is?

CT: [UI] Brazil.

CHS: Yeah. It's fucking what it looks like isn't it?

CT: And then I went to the southern border of Israel and Lebanon where the UN is.

CHS: Galilee [PH].

CT: Wherever that is. Like...it's called UNIFIL [PH], United Nations International Force Lebanon or something like that. Lebanon is nuts.

CHS: I fucking love SIA [REDACTED] If there's one place I would like live in the Middle East and I had to live, it would be SIA [REDACTED]

CT: Why?

CHS: It's just...there's so much like culture and it's not just like being Arab or Muslim like it is the rest, the rest of the Middle East. Even though like everyone just

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

assumes you are Arab or Muslim anywhere you go in the Middle East, but [REDACTED] SIA is like --

CT: [OV] Well it's multicultural.

CHS: -- It's multicultural, it's multicultural, multi-religious like...you have, you can be comfortable with like who you are and I don't feel like a, an outcast there. I feel like it's good, you know.

CT: Yeah. Egypt is like too [UI], right? Egypt.

CHS: They're, they're not strict. They're just like fucking, like whacked out motherfuckers. Just imagine like you...so we elected Trump.

CT: They're impressive aren't they?

CHS: So we elected Trump but like they fucking, ah...

UF: [Bringing food] Alright. Here's the white.

CHS: Yep. Thank you.

UF: [UI] here. Got a little extra seasoning on there.

CHS: Perfect, thank you.

UF: [UI] millions.

CT: There we go.

UF: Two breasts.

CHS: Thank you very much.

UF: Can I get anything else for you guys?

CT: No that's good.

CHS: Um--

UF: Looks good, right?

CHS: --could I get maybe like a little shot glass so I can pour ketchup in it?

UF: Yeah yeah.

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

CT: That's good, man.

UF: There you go, honey.

CHS: Thank you so much.

UF: No problem.

CHS: Very few places in the world that I trust with their fried chicken, man, and this is it.

CT: [Chuckling].

CHS: I'm a fried chicken connoisseur, man.

CT: [Chuckling].

CHS: So say we do get into the State Department.

CT: The White House.

CHS: Oh White House we're doing...let's say, let's say we get that far.

CT: One hundred and seventy thousand.

CHS: How much?

CT: A hundred and seventy.

CHS: For what?

CT: For that [UI].

CHS: Fuckin'...once say after four years what the fuck are we going to do? We have a resumé. What are we going to do?

CT: [UI].

CHS: Maybe he's elected another four years after that.

CT: That's why you're making more [UI]. And all the connections you'll make, dude. You understand. Everything's connections based. There is no sending resúmes and shit anymore. Ooh I love the [UI]. [Pause] You got very lucky, boy.

CHS: Huh?

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

CT: You are very lucky. Just sending a resumé or however the hell you got your job.

CHS: They looked me up. I got real fucking lucky. I was looking for a job when they found me.

CT: What were you doing when you were looking?

CHS: I was looking for a job in SIA [REDACTED].

CT: But like were you working at the time?

CHS: Uh-uh. I saved up six grand.

CT: Oh yeah.

CHS: I lived out there for a summer. I fucking splurged but like I was looking for a job and I was willing to take like even a Starbucks job just to like get myself grounded in SIA [REDACTED].

CT: And you didn't find it?

CHS: Nah nothing, nothing really like stood out to me. I stayed with my friends out there for a while.

CT: Where were you living over there?

CHS: Ah in SIA [REDACTED].

CT: Oh yeah? You got a short term lease?

CHS: I have a whole bunch of, ah, ah Greek friends. SIA [REDACTED] [PH], SIA [REDACTED] [PH], all these fucking Greek guys. I love, I love SIA [REDACTED] man.

CT: So what happened? Why couldn't you find something in SIA [REDACTED] There wasn't anything?

CHS: I don't know, I never looked in SIA [REDACTED] I was always looking in SIA [REDACTED] or SIA [REDACTED]

CT: SIA [REDACTED] kind of reminds me of Chicago.

CHS: Yeah.

CT: Doesn't it?

CHS: Mm-hmm.

File: XXX-[REDACTED]  
Recording: CCR\_0006.wav

CT: I like the food.

CHS: Fucking amazing all, all, as usual. I just feel like the whiskey took away from the, the wonderful flavor or the chicken. These people put soy sauce on their sushi, dude. I don't like that.

CT: You don't?

CHS: You put soy sauce on your sushi?

CT: Yeah I do.

CHS: I think it overpowers the taste of the sushi.

CT: Well you put barely any. Did you ever go to SIA [REDACTED] [PH], the Greek restaurant in SIA [REDACTED] SIA [REDACTED] You must have gone there, did you? Or...

CHS: I think so almost--

CT: The Café [UI] it's like a Café. Or SIA [REDACTED]

CHS: I went to SIA [REDACTED] is where it's at. I threw money in at SIA [REDACTED] like everybody else. That's fucking hilarious.

CT: [Laughs] Did you make it rain?

CHS: I got \$10 worth of dollars and the napkins and [laughs] ah fucking...

CT: How much are you paying for rent over there, dude?

CHS: I shared rent 300 bucks.

CT: That's it? How many roommates did you have?

CHS: SIA [REDACTED]

CT: Were they SIA [REDACTED]

CHS: It was a SIA [REDACTED] who had a SIA [REDACTED].

CT: Speaking of [UI] how about SIA [REDACTED] [PH] is she out there?

CHS: Oh yeah, yeah.

CT: Who's all there now?

File: XXX-  
Recording: CCR\_0006.wav

- CHS: They're actually in SIA right now. You know SIA died. SIA fucking SIA died while SIA ...you know my friend SIA [PH]? She's in SIA too. My friend, you know, SIA [PH] SIA brother?
- CT: Yeah what's he doing there?
- CHS: They-they're all fucking visiting over Thanksgiving.
- CT: What she doing?
- CHS: She's working for some, ah, high school as like counselor.
- CT: There? In SIA
- CHS: One of these, ah...[chewing] tracks where they follow you throughout life. Like for, if you're born in poverty like there's a select group of individuals that'll like follow you thru life from like do like yearly annual quarterly checkups on you. And they just follow them thru life and make sure that, you know, they get to

File: XXX-[REDACTED]

Recording: CCR\_0006.wav

where they're going, make sure they go thru college. You know, kind of be there as their backbone support.

CT: She's following them?

CHS: Yeah.

CT: [UI].

CHS: She doesn't make any money but she's got tons of college debt from--

CT: She makes no money?

CHS: What kind of fucking money are you going to make as a counselor? Do you know how millions of counselors there are out there?

CT: How is she going to pay rent?

CHS: Roommates. Two roommates.

CT: In New York?

CHS: Mm-hmm.

CT: You guys still talk about it.

CHS: Huh?

CT: Are you guys still close?

UF: How is everything, guys?

CHS: It's great, thank you.

UF: Good. Awesome.

CHS: Eh.

CT: Is she a little weird?

CHS: She started dating some SIA [REDACTED] guy and I was like...yeah that shit's not right for you.

CT: SIA [REDACTED]

File: XXX-██████████

Recording: CCR\_0006.wav

CHS: Yeah. I was like I know you want to marry a SIA ██████████ but like he's not going to...like you-you're going to end up conforming to him more than he's going to conform to you. But she has friends that are guys and like SIA ██████████ men do not want any like men to be a woman's friend, you know. It's just, they're not forward-thinking, you know.

CT: Is he a FOB?

CHS: He's a super FOB. I couldn't stand him.

CT: So he was muscling you out of the picture. This guy wants [UI] run [UI].

CHS: It wasn't that. [Chewing] It was far from that. Like we all actually went out to SIA ██████████ together. We did SIA ██████████ for over spring break once.

CT: Mm-hmm.

CHS: He's a nice guy but...

CT: Are they living together?

CHS: Huh?

CT: Are they married?

CHS: No. They, they split up. It was a nasty split-up. They were together for almost a year.

CT: What happened?

CHS: I guess she didn't, it wasn't, wasn't working out and I pointed it out to her. I'm like here are the points where I see like things aren't going to work out for you.

File: XXX-  
Recording: CCR\_0006.wav

You're basically wasting your time with this guy and she's trying to conform to him. Like I mean you're never going to wear a fucking SIA one. Two, like--

CT: Is that what he wanted her to do?

CHS: Of course. Every fucking SIA does. I don't care how liberal a SIA is. A- a fucking SIA is a SIA

CT: Who's your sister married to?

CHS: Um SIA

CT: Who?

CHS: Also SIA are very infamous for divorce. Like they get married and just divorce just so they can have sex and not feel guilty about it. [Pause] And I told her that. I was like I don't want you to take it the wrong way. I'm sure you know him more than I do but be careful. And we just kind of like stopped talking because like, it was actually my wife who was very like jealous.

CT: Was she?

CHS: Yeah. She didn't want me hanging out with, you know, other women. I'm like this girl's my best friend like, fuck you, you know. It's not what caused our

File: XXX-██████████

Recording: CCR\_0006.wav

divorce. We never, we just stopped hanging out. I respect my wife's, you know, she's my fucking wife. I respected her wishes.

CT: Even though it's just fucking hanging out, huh?

CHS: Yeah.

CT: This...what's better this or Popeye's.

CHS: Get the fuck outta here. What's your favorite restaurant in Thessaloniki?

CT: Um...it's at the Electra Palace Hotel, the restaurant in that hotel. It's a really nice hotel like in the city center overlooking the sea.

CHS: Michelin Star? Thessal-Thessaloniki I thought it was landlocked.

CT: No.

CHS: It's a coastal city?

CT: It's all bay shore on the water.

CHS: Really?

CT: Yeah everywhere you walk you're on the water.

CHS: [Coughing]

CT: You alright?

CHS: [Smacking lips].

CT: That's some good batter. Got to <sup>SIA</sup> this on <sup>SIA</sup> ██████████, man.

CHS: <sup>SIA</sup> this.

CT: [Laughs]

CHS: I don't want...people knowing I just ate, um, fried chicken.

CT: Why?

CHS: Mmm.

CT: We'll walk downtown from here. We out walk out in this, man.

File: XXX-[REDACTED]

Recording: CCR\_0006.wav

CHS: We'll walk down to [UI]...

CT: It's only a 15-minute walk.

CHS: I was going to say let's take an Uber because there's free parking over here. It's probably cheaper to take an Uber and back.

CT: Yeah. Alright.

CHS: I'm kidding. [Chuckles].

CT: No, we will take an Uber. Unless you want to walk a bit.

CHS: No, fuck it. We'll drive it then.

CT: No, we're not going to park it over there.

CHS: We'll find parking.

CT: No.

CHS: I always find parking.

CT: Really?

CHS: Don't jinx it. [Laughing]

CT: Jimmy Hendrix, huh? What about that one guy that [UI] hang out with that, that-the little Latino guy? Remember [UI] we went, went to SIA [REDACTED] with him?

CHS: SIA [REDACTED]

CT: Yep.

CHS: He got married. He's living in, ah, TPE [REDACTED]

CT: Get out of here.

CHS: Yeah. Him and his wife. Whitest fuck wife like from TPE [REDACTED] She's from, ah, TPE [REDACTED] Her dad later everyone I know from TPE [REDACTED] that's like...they're well-to-do like they've got money.

CT: Yeah.

CHS: So they moved down to TPE [REDACTED] and teaching Eng-English. I say good for them. It's very difficult. I actually got to reach out to them because I want to like...my

File: XXX-██████████

SIA was asking me for like advice like how do I deal with this sit- type of situation like just like marriage shit. Even though I wasn't married for a SIA like he looks, he looks, he asks me like how to...maybe he does the opposite of what I tell him because obviously my marriage failed but...[chuckles].

CT: How did you know you were going to divorce? What was the day where you're like shit...[UI].

CHS: SIA in.

CT: How did you know? What was the events?

CHS: Lack of intimacy.

CT: Yeah?

CHS: I was just going fucking crazy.

CT: I don't blame you.

CHS: You know I hope the next person I marry...never get a fucking divorce. Because I'll know, I'll know thru and thru that that person...in and out I'm going to fucking go thru their...I'm going to fucking look them up. I'm going to fucking have someone spy on them like I'm going to make sure that this person is the fucking person...

CT: What do you think about this girl you're with now?

CHS: She's very straight and narrow, she's nice. I mean she's got a SIA though.

CT: So what?

CHS: I like SIA but at the same time like...I thought, I thought she would be a little bit more wild in bed. She's alright. I want to, I want to find my fucking bed gem,

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

you know. Like when you want to, when you go home, you want to fucking look forwards to going home.

CT: True.

CHS: To your fucking nymphomaniac wife who's ready to fucking suck your dick [UI] fucking [UI]. You don't want to like, come home and your wife is just like what's for dinner, bitch. Do they [UI]?

CT: [OV] Remember, remember [REDACTED] TPN

CHS: Hm hm.

CT: She seemed quiet, right. She's a nympho.

CHS: I know she was a nympho. The quiet ones are fucking nymphos.

CT: [UI] could tell she was a nympho.

CHS: You could tell.

CT: She gave me three blow jobs a day sometimes.

CHS: Three?

CT: One in the morning when I got back from [UI].

CHS: So why didn't you marry her? You would have been a very fucking happy man.

CT: I actually got back in touch with her.

CHS: No it's...do you know this stupid song by the Beatles? It's not, all you need is love. All you need is sex.

CT: [Laughs]. [Pause] I'll be [UI] make money.

CHS: Hm?

CT: I'll be in real love [UI].

CHS: It does. You just got to...

CT: I don't think so. I mean I'll vow compromise, I mean... It's like a business deal. [UI]

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

CHS: [OV]You just got to find your match. Look at these Indian people who have the arranged marriages. They never met their fucking wives or husbands.

CT: That's what I mean. It's all about the fucking arrangement.

CHS: Your family's good. My family's good. This and that--

CT: We provide [UI]--

CHS: --contracts.

CT:--[OV] I take care of you and that's life.

CHS: Mm-hmm.

CT: Oh.

CHS: And their divorce rate...their divorce rate is a lot less than it is for people who go out dating.

CT: Because they know right away there's no-there's no love. It's a business deal.

CHS: You develop love for somebody.

[Background conversations]

CT: You like [UI] that was good, huh?

CHS: I'm going to give you my card.

UF: Ooh are you guys all done?

CHS: That way we don't just bounce out on you because we're going to go shopping too...

UF: Sounds good. I gotcha right here.

CHS: Thank you.

CT: [Laughs]

CHS: What?

CT: [Coughs]

File: XXX-██████████

CHS: I don't like to waste trees. You give me the check and then I give you the card and then you bring me back another paper...

UF: Keep it all in order.

CT: [UI].

CHS: But world famous.

UF: [UI].

CT: [UI].

CHS: Best fried chicken in the fucking world. Did you have some fries?

CT: This is a weird [UI].

CHS: Don't tell anybody about this place. Because if I see a line out the door, I'm going to be like fucking Crossfire Typhoon.

UF: Is everything still amazing?

CHS: It's alright. Mediocre.

UF: Hm.

CHS: Yeah can you bring me more chicken? I want to try a different batch.

[Laughter]

UF: [Chuckles] [UI] batch. Mediocre. Break my heart.

CHS: Chants the Rapper?

CT: Yeah I don't like that. Why was he doing that? He should have brought in like the role models, you know.

CHS: He gave up on his presidency halfway thru. Only because he knew he couldn't get shit done because all the fucking Republicans were fucking cock-blocking him.

CT: He did give up, didn't he?

CT: D.C. is, I-I hate that city.

CHS: You know I can't be seen with you, right?

CT: [UI]

CHS: Yeah I got nothing to do all day and just walk.

CT: What you got to do, you got to go [UI].

CHS: [UI] well I mean it's not like I got to go home soon. I'm fucking tired. I got to go to church tomorrow. I got like...

CT: No it doesn't work like that, man. Once you're in government...ri-riight now the only reason I can talk funny and like stupid is because I'm a private citizen. You get it? The second you actually are in it, you become owned. That's just the

File: XXX- [REDACTED]

Recording: CCR\_0006.wav

honest, that's just the truth. Like right now I can be flexible and I can go to Greece, I can talk to who I want but once you're actually a government person--

CHS: What if they tell you you've got to come back to the U.S. so as soon as you leave for Greece, don't they have to do training?

CT: I don't think I would do that.

CHS: No?

CT: I wouldn't come back that soon. I want to enjoy my time there.

CHS: That's four years of bullshit. No, uh...

CT: Yeah because I don't want...because if I'm going to do that, then I want to enjoy my time there. Do they actually have those things in here, too?

CHS: What?

CT: Pokemon? It's on the third floor [UI].

CHS: How do you get on the third floor? [Pause] Tell them we got to go, we got to go to fucking Greece soon, man. You got to fucking tell them let's go. I ain't got fucking time for this shit. Call him.

CT: [UI]

CHS: Tell that fucking cocksucker like, hey you got to let me know now. I ain't going to spend \$3,000 on my fucking ticket.

CT: Actually I have a Tumi backpack and Tumi briefcase. [Laughs]

CHS: I got...where's that, the I got the leather roll-on.

CT: Do you know how much I paid for my backpack?

CHS: How much?

CT: Seven hundred bucks.

CHS: Why would you do that?

CT: Because I had to pay 250 extra bucks at when I was in London.

CHS: Why would you buy it in London?

CT: Well because I was living there. You know?

CHS: Dummy.

CT: [UI]

CHS: I got this guy right here.

CT: I have the [UI].

that but it's, that's what it is. [UI] you need to have that with you when you walk in to a serious place, man.

CHS: See this...yeah this is the one I have but it's in leather. It's fucking great.

CT: You have this?

CHS: It's expand, yeah. This...you know the commuter flights and in Europe, this works because like you can, you can't take your regular carryon...

CT: This is nice.

CHS: It's, it looks exactly like this but it's, it's that size. But it, on a commuter flight you need something like that because you can fit it into the overhead storage on those small-ass flights.

CT: I don't know what I came up with [UI]. What do, what do you think about these backpacks?

CHS: You can go to, yeah I don't like them.

CT: [UI]

CT: No, we went to Ditkas [PH].

CHS: Why the fuck do you go to Ditkas?

CT: It's so bad. It was so bad.

CHS: Why would you go there for Thanksgiving?

CT: Well because they have like buffets, turkey. No one wanted to cook it and then we went to my aunt's house for like dessert.

CHS: Your whole family went to Ditkas?

CT: Just my nuclear, my immediate family. And then we went to my aunt's afterward. What'd, what'd you do?

CHS: Just stayed at home.

CT: Did you cook?

CHS: Yeah. I smoked turkey and I, and I ah cooked turkey in my oven. [Pause] I'm fucking done.

CT: Done?

CHS: Yeah.

CT: Dude, let's go.

CHS: Let's get the fuck outta here.

CT: Get the fuck outta here. Do you want to go to Nordstrom Rack?

CHS: It's fucking... I don't know, like it's authentically Greek in, in SIA ██████████ Here it's like, uh... what's the word I'm looking for?

CT: Here it's like very Americanized, watered down.

CHS: It's more like, uh, novelty Greek.

CT: Yeah.

CHS: It's, it's not really authentic Greek. Let's go, let's go to fucking New York [UI].

CT: [UI] love New York.

CHS: When you get back let's go to fucking, uh, let's go to New York, Atlantic City.

CT: I love New York, man. Isn't New York fun?

CHS: Call this, call this fucking malaka, what is this, skid row here?

CT: I ain't [UI] yeah this is weird, huh?

[Music in background]

CT: You know what, in this country no one should be out in the streets, man.

CHS: Oh, everyone's everywhere on the fucking streets. How many bridges to you have to burn to end up on these streets?

CT: What you do mean, man?

CHS: How many like... how many, how many of these people like [siren] had families, and their families like kicked them out. They did them wrong, or like their parents kicked them out like... there's a fucking lot of bridges to burn in order to end up on the streets. Like you have aunts, uncles, cousins, friends, like come on. Are you that, like how-how many bridges did you burn that you end up on the streets? I mean, yeah it's, some people are down on their luck and never made it in life. Foster kids and...

CT: Yeah.

CHS: But come on.

File: ██████████

Recording: CCR\_007.wav

CT: What would you do if a family member said to you, um...

CHS: If they're homeless?

CT: Yeah, I'm going to be [UI].

CHS: Well it depends on which, uh, family member. SIA or...

CT: [Laughs] [UI]

CHS: If it's in my SIA family, I'd tell them to go fuck themselves.

CT: You would?

CHS: Oh, yeah.

CT: What?

CHS: I would never fuck, like I would never give them anything.

CT: Why?

CHS: Because they're all selfish and like, they're all selfish and self-centered, and... My SIA family, man, I, uh, I would never let them go homeless, I'd never let them, like if they're hungry, my house is open to, you know. If they're hurting like...

CT: You know that's how I am too I would always help out people. I don't think I could ever turn away somebody like that.

CHS: I would help out a stranger before I helped out my, uh, SIA family.

CT: [UI] Dad, huh?

CHS: Dude, like they-they will run you over for a dollar.

CT: Shit.

CHS: They're shits in the head, man.

[Car sounds]

CT: What's wrong with them, man?

CHS: I don't know, well they can go fuck themselves.

File: [REDACTED]

Recording: CCR\_007.wav

CT: Who's are bigger, what family is bigger, your mom's or your dad's side?

CHS: My dad's side is [REDACTED] my mom's is [REDACTED]

CT: My whole family, I think on both sides is like 10 or 15 people.

CHS: Fuck, brothers and sisters?

CT: My brother, sister. My dad's has a brother and a sister who have zero kids. On my dad's side I think I just have, all together... [UI] right now five, second-cousins. That's it. Can you believe that? Zero first-cousins. It's me, dad, mom, brother, sister, grandma.

CHS: No one had any kids?

CT: Grandma, grandfather. I'll tell you right now, people who are living on both sides. First-cousin, first-cousin, first-cousin, first-cousin, that's twelve. Dude, we're literally like everyone combined there's like 20 people, in my entire family. If that's all [UI] dude, I have like my aunt and grandma, and I have some second-cousins.

CHS: You guys have a house out there, you said?

CT: Yeah.

CHS: Your dad's or your mom's?

CT: My mom has a house and my dad has house. They're both in East Albania.

CHS: Really?

CT: My grandfather was actually from, uh, [UI].

CHS: [OV] Anybody living there, or they're just like empty, they own the house.

CT: My grandma lives there. My mom's place is open though.

CHS: Alright, where would we stay?

CT: Yeah well I can probably get a...

CHS: [OV] Hotel?

CT: ...hotel or two--

[Traffic sounds]

File: [REDACTED]  
Recording: CCR\_007.wav

CT: --for 40 Euros like, uh, beautiful, four-star hotels. I want to be looking nice. You know you would have to like dust the place and shit because no one lives there, you know, fuck that. Get a 40 Euro a night hotel right on the ocean.

CT: Yeah. I'd like that. I need a fucking nice little break.

CHS: You guys don't have gyros out there, do you?

CT: Not the garbage like here.

CHS: Good shit?

CT: Yeah. [Sighs] [Yawns]

CT: [Singing] A little bit more... A little bit more.

CHS: The fuck is this traffic?

CT: I can't believe Fidel Castro died, huh?

CHS: How old was he?

CT: Ninety.

CHS: That's it? That's time for him to go.

CT: Now why was he so controversial?

CHS: A fucking communist, dude.

[Pause]

CHS: You see Oba- uh, Michele Obama's little, uh, spoof clip? She had a sign that said an immigrant is taking my job. [Laughs]

CT: I thought that was like photo-shopped.

CHS: [Laughs] Yeah, was it photo-shopped?

CT: [OV] Yeah, [UI] she wouldn't.

CHS: [OV] That's fucking hilarious.

CT: If she has done that that would have been so low.

File [REDACTED]

Recording: CCR\_007.wav

CHS: That's hilarious, though.

CT: Yeah, I think it was photo-shopped.

[Music in background]

CHS: Is there a fucking concert going on here?

CT: Paragon [PH] Theater.

CHS: And this motherfucker wants to turn in front of me. Malakas.

CT: You stuffed? I'm so stuffed.

CHS: That fried chicken is fucking delicious, man. Is there a way around these motherfuckers?

CT: Mmm?

[Traffic sounds]

CT: Must be a concert something this way.

[Traffic sounds]

CHS: [UI]. I've never seen you drive. Have you ever driven in your life?

CT: I haven't driven since I was probably 21.

CHS: Why?

CT: That, there's no need to. I was living downtown. And then I moved to London, and I was in D.C., then London again. And now here I just take Uber everywhere.

CHS: I mean Uber can get expensive too.

CT: It does, but are you leasing this car or are you're buying it?

CHS: Yeah, I'm leasing.

CT: How much you pay a month, 2-300?

CHS: Yeah, about 320.

CT: See, that's expensive right there.

File: [REDACTED]  
Recording: CCR\_007.wav

CHS: Plus gas, plus insurance, yeah.

CT: Exactly, see, it's 500. I don't spend no \$500. And what's your...

CHS: [OV] A month?

CT: Yeah. I probably spend, and don't forget I got the L right here.

CHS: Yeah.

CT: So, uh, if I'm lazy, an Uber will cost me 10 bucks to go downtown from here, which is nothing. I don't go downtown every day. And if I was to go...

CHS: [OV] Seems like you go downtown every fucking day. [laughs]

CT: When I was working, I would just take the L every day, you know, I wouldn't be t-driving. Now if I didn't have, if I lived in the suburbs, I'd get a car though. But leasing is the best, I think, especially for like m-mobile people. [Pause] It is nice to have your own car though, but Uber is really disrupted it a lot I think. Don't you ever take Uber though?

CHS: I do when I go to the airport, yeah, but...  
[Siren sounds]

CHS: Come on.

CT: I mean, look at this shit, right? Valet parking 20 bucks. I mean why would I pay 20 bucks to park here. I would just take an Uber and just pool with somebody.  
[Siren sound]

CHS: I don't know about this Uber pool shit. Get some creeps on here on crack.

CT: My cousin started Uber now he's doing that shit full time. He said he's making about a thousand a week [UI] which is good money.

CHS: There's a Latino concert going on.

CT: How do you know?

CHS: Look at all these, uh, Mexican guys.

CT: [Laughs]

File: [REDACTED]  
Recording: CCR\_007.wav  
CHS: Look at that cowboy hat, you see it's a fucking Mexican concert. That's why you got all these little fucking people...

CT: [OV] Oh shit [UI]...

CHS: ...making tacos. Look...

CT: [OV] Damn...

CHS: SIA [REDACTED]

CT: [UI] do you want to go?

CHS: No, get the fuck out of there. [Laughs]

CT: [Laughs] I ain't got fucking time.

CHS: SIA [REDACTED]

CT: SIA [REDACTED]

CHS: Tamales SIA [REDACTED]  
[Siren sounds]

CHS: Tamales [singing].

CT: [UI] over here.  
[Siren sounds]

CHS: All these malakas bars.

CT: Shit. [UI]

CHS: Who?

CT: [UI] trying to sing the song. SIA [REDACTED]  
[Music in background]

CHS: SIA [REDACTED] just texted me.

CT: No way.

CHS: Yeah.

File: [REDACTED]  
Recording: CCR\_007.wav

CT: Oh let's [UI].

CHS: Right now. [Laughs]

CT: Yeah.

CHS: Get the fuck out of here.

CT: What did she say?

CHS: She was like, 'Yeah, I was in the burbs this weekend.' I'm like okay great, thanks. [Laughs] I don't give a fuck. I just asked if you were out. If you're not out, then I don't care. [Laughs]

CT: She said oh yeah, I was just in the burbs all week. Thanks for asking.

CHS: Do you think she's going to pass the bar? I think she took it once and she failed.

CT: Did she?

CHS: I think so.

CT: Is that what she told you?

CHS: I don't, I-I think she did, because she was not in a good mood for awhile. I know that's all she was fucking doing, just studying for the fucking bar.

CT: So what does that mean, the bar?

CHS: Well to get, to legally practice.

CT: But isn't she a lawyer in D.C.? She passed the D.C. bar?

CHS: Um, no. She's taking it here.

CT: Wait-wait, hold on a second. She was never a lawyer?

CHS: No.

[Traffic sounds]

CHS: Unless she just passed the bar now.

CT: I thought she was working for like, as a lawyer for the TPA [REDACTED].

File: [REDACTED]  
Recording: CCR\_007.wav

CHS: Well as a legal assistant maybe.

CT: She was never a lawyer though?

CHS: I don't think so.

CT: Oh, shit.

CHS: She hasn't, well maybe she was a lawyer in D.C., and then she's trying to take the bar here. I don't know.

CT: Oh, see for me if I ever, like for example this doesn't work out, like with [UI] I would probably go to law school in Michigan if maybe, I, it's like a possibility.

CHS: What the fuck you go to law school for? You're going to spend...

CT: [OV] Well that's prob...

CHS: [OV] All your time and money there and, you know...

CT: [OV] Well, it's the money that's the problem, you know. Let's assume I get a de-good scholarship, let's just assume. Um, that's the problem, you could [UI]...

CHS: [OV] No one's going to pay for a fucking Greek to go to college?

CT: No, they don't.

CHS: Scholarship, my ass. I've never seen a Greek get a scholarship.

CT: Do you know how, do you know how expensive that is? You know how expensive law school is, I think it's 45,000 a year.

CHS: For a cheap one.

CT: Not only is it 45,000 a year, but that's without books. You're talking 50,000 a year.

[Traffic sounds]

CT: With just room and, and without even room and board while you're there. Right?

CHS: Fuck that. Your mom would be ever so proud of you though. [Laughs] [mimics accent] My son, he is lawyer. You know it comes from the Greek word...

File: ██████████

Recording: CCR\_007.wav

CT: [OV] No-no, there is just nothing more powerful than politics though, because lawyers are a dime-a-dozen now days. They actually are.

CHS: [OV] You, didn't you guys invent politics?

CT: Politics is the power in the world.

CHS: [OV] Politicos?

CT: Lawyers, unfortunately, they are a dime-a-dozen, aren't they? What do you think?

CHS: Yeah, they're all fucking expensive.

CT: And they just don't even make money anymore. SIA ██████████ [PH] is probably like a struggling attorney. And she's almost 30.

CHS: No, she'll-she'll get, there's always work for attorneys, dude.

CT: Is there?

CHS: [OV] Yeah.

CT: What do you mean?

CHS: Everyone gets fucking divorced, everyone's got a fucking will to make, everyone's... there's businesses--

CT: [OV] Yeah, but...

CHS: --everyone's, there's so much fucking money to, if you're a lawyer, dude, it's like a never-ending...never ending. Like, the-the doctors, someone's always going to be fucking sick, dude.

CT: Yeah, but why do they always say that lawyers are a dime-a-dozen now, they aren't really making money? Is that just bullshit?

CHS: That's bullshit.

CT: Really, huh? Would you...

CHS: [OV] You got to be a great fucking lawyer.

CT: Would you ever consider it?

CHS: Being a lawyer?

File: [REDACTED]  
Recording: CCR\_007.wav

[Siren sounds]

CT: Yeah.

CHS: No.

CT: Why not?

CHS: It's just, it's a waste of time for me. I don't want to fucking deal with that shit.

CT: No?

CHS: I don't want to deal with that shit. It's a waste of time for me.

CT: Well you...

CHS: [OV] By the time, if I spend five years of my life working in my company, I'm going to make fucking money like, I'm going to, uh, like a lawyer. And I'm not going to have fucking debt.

CT: Well that's the thing, yeah exactly.

CHS: What the fuck am I going to go be a fucking lawyer now for? It's stupid. Where is your logic malaka?

CT: I'm saying, if you didn't like your company.

CHS: Uh, well certainly ain't going back to law school, go back to medical school, it makes no fucking sense.

CT: Ah, I don't know. A lot of people go back in their--

CHS: [OV] I'd rather sell drugs.

CT: --late twenties. [Laughs] Man, I don't know. People are like really buried in debt now with school.

CHS: Uh, never ending.

CT: I don't, I don't think [SIA] has that issue though because she probably comes from rich [UI].

CHS: Her, yeah, her family's got it covered, dude.

CT: They got money?

File: [REDACTED]  
Recording: CCR\_007.wav

CHS: Oh, yeah.

CT: Where do they live?

CHS: [OV][ They live in TPA [REDACTED] They've got fucking money.

CT: What do her parents do?

CHS: I don't know. I never asked.

CT: She is beautiful though.

CHS: She's alright looking.

CT: Really?

CHS: She's not all that, uh, gorgeous. She's pretty, but she's not like...

CT: She's pretty [UI].

CHS: [OV] Wow!

CT: No, no, she's pretty.

CHS: [OV] [Laughs] [UI]

CT: She has like a, uh, SIA [REDACTED] [PH] look. Doesn't she?

CHS: I guess.

CT: I haven't seen her in five years, so I don't know.  
[Traffic sounds]

CHS: I'm fucking exhausted.

CT: [Laughs] Yeah, that food knocked us out, huh?

CHS: That and like, even just like w... shopping. I don't know what it is about shopping, it-it drains me. Even though I don't buy anything, I can be fucking drained, even going to the grocery store, or I climb a mountain and I've...  
[Laughs] Want to go to Mount Kilimanjaro?  
  
[Pause]

File: ██████████

Recording: CCR\_007.wav

CT: [Sighs] Yeah, [UI] calling for an Uber right now.

CHS: Do you ever make them pick you up for free?

CT: No.

CHS: What's the shortcut? You gave me a shortcut last time I was [UI] just go up to California.

CT: Just go to California.

CHS: Well I leave tomorrow for, like, lik-like tomorrow morning, like, if I don't know then I, I'm, just not going to go.

CT: Well I'm, I got to find out, tonight I'm supposed to find out. He, she e-mailed me an hour ago.

CHS: Soon as you fucking find out, and you got your itinerary booked, let me know and I'll fucking start looking at tickets and I'll buy tomorrow.

CT: Yeah, I don't want to be by myself [UI] of course I want you to be there.

CHS: You think they'll let me into these meetings too?

CT: That I don't know, I got to ask first. That's, and that's what they're doing. They're [UI]. [Pause] [UI] at that light up there at California. [UI]

CHS: All these malakas.

CT: Yeah, I think SIA probably regrets that she went to law school, right? Or does she like it?

CHS: I don't know. Every time I see her all she talks about is her little fucking boyfriend that she's seeing. Like, "Oh" I don't give a, like she's never dated anyone for more than like three months.

CT: Are you serious?

CHS: Yeah. She's always, uh, jumping from one relationship to another and she has to be in a relation, she can't date anyone. Like she constantly has to be in a relationship.

CT: [Laughs] Oh, this world that we live in. We made it, man.

CHS: Hmm, you made it. I got to, I got, [Laughs] I've got to go. I got like a SIA SIA to go to my SIA.

File: [REDACTED]  
Recording: CCR\_007.wav

CT: Well, you-you're not far from here, right?

CHS: I'm a SIA [REDACTED] miles away.

[Beep]

CT: Alright, cream stain.

CHS: Cream stain.

CT: [Laughs] Thanks for the ride. It was fun.

CHS: [OV] Behave yourself, do you have [UI]?

CT: Yeah, we're [UI]...

CHS: You have the Christmas tree up too?

CT: Yep.

CHS: [OV] Malaka.

CT: I'll call, I'll text you tonight and hopefully they got this thing, and then we'll book, alright? For you to book your thing.

CHS: [OV] Let's do it.

CT: Alright, brother. Drive safe.

CHS: Take it easy.
